My hero? Think hard.
It's milk. Some studies suggest
teens who choose it instead
of sugary drinks tend to
be leaner, plus the protein
helps build muscle.
So grab a glass. Then you can
change the future, too.

you.

GAMER OF THE WEEK

Name: Ted Krinshaw
Age: 15
Hometown: Tallahassee, Florida
PROS: InverteBOTS rocks! I recommend using the king scorpion. You get killer claws and one wicked stinger. Definitely the best attack combos.
CONS: The match-ups can get kinda unrealistic. I don't care who you are, an amped-up ant could never take a teched-out tarantula. Game over.

INVERTEBOTS

So it's Saturday and you're sitting on your couch watching your favorite rerun on TV. Then you hear a thump, but you're too lazy to thank your mom or dad to the window to see. Your dog begins barking. You feel a thump in the ground. Your dog stops barking. Actually, where'd your dog go? Then suddenly a stinger the size of a telephone pole comes crashing through your roof, directly into your mom's best china. You look outside to see a 60-foot robotic scorpion laying waste to your neighborhood. And all you can say is "Sweet."

Enter the InverteBOTS, the newest creation from POWERSOURCE 360. A revolution of companies, InverteBOTS's premise is simple. If you can grasp it, you can smash it. Set in the not-too-distant future, the world's machines have become obsolete after the most resilient organism on Earth: bugs. Techno-exoskeleton [illegible]

Apart from your pesky opponent sitting next to you, you'll have to fend off ranks of army ants, mechanical mayflies, and one bad mother sucker, the Mosquito.

It has multi-function modes of play, from one- and two-player missions to a free-for-all bug-bashing to head-to-head [illegible] twisting roughhouse.

Lifelike graphics mix in with just enough computer animation to let you level a city block without feeling too [illegible] Intuitive controls [illegible]

NEXT TO ME. CAPTAIN AMERICA WAS *NEXT* TO ME. HE HELPED ME SAVE THESE MEN!
NO, CORPORAL. WE SAW EVERYTHING THAT HAPPENED. YOU SAVED THESE TWO CORPSMEN ALL BY YOURSELF.
I'VE BEEN OVER HERE EIGHTEEN MONTHS. I SURVIVED A LOT OF FIREFIGHTS. I'VE NEVER SEEN SUCH BRAVERY.
YOU'LL GET A COMMENDATION FOR THIS, CORPORAL.
CAPTAIN AMERICA DESERVES THE COMMENDATION.
